Non-recurring grant will be released against the committed liabilities and the fresh approvals subject to the production of required documents by State/UTs and physical and financial progress of these interventions under the non-recurring head.

As per Section 7(5) of the RTE Act, 2009, the State Government shall, after taking into consideration the sum provided by the Central Government above and the mandatory matching State share, provide the balance funds necessary to fulfil the estimate for the implementation of the Act. The interventions under the Samagra Shiksha comprise of activities pertaining to Elementary, Secondary and Teacher Education respectively and there is a single Budget for Samagra Shiksha in the Demand for Grants (BE) 2023-24. The release of funds would be from a single Budget Head only. However, for purposes of ascertaining the quantum of funds going to each component, the Sub-Heads for Elementary (including Teacher Education) and Secondary Education has been classified separately.

The State should invariably provide Single Budget Head during 2023-24 and the nomenclature should be Samagra Shiksha. Since Samagra Shiksha would be catering to various activities relating to RTE entitlements and all other Elementary interventions as well as Teacher Training and activities for BRCs and CRCs which forms the portion of Teacher Education activities as well as for Secondary Education, the States shall also provide a suitable Nomenclature with Sub-Heads to identify the disbursement of funds separately under all components of Samagra Shiksha. Fund flow to SCERTs, DIETs etc. will be through State Nodal Account of State Implementing Society only.

Spill Over

An outlay of **Rs. 189154.95 lakh** as Spill over under various activities falling under Elementary Education, Secondary Education and Teacher Education was estimated with the condition that all pending activities should be completed during this year 2023-24. The detail is enclosed at **Annexure II**.

Costing Sheet

The consolidated item-wise estimate for 2023-24 is at **Annexure III.** The State must bifurcate the annexed costing sheet among all the Districts according to their proposals/approvals and capture the district wise expenditure against the budget allotted, on the PRABANDH portal on a monthly basis for the real time monitoring of each activity/component approved under Samagra Shiksha.

Also, State needs to ensure that timely implementation of the various interventions as per the annual calendar of activities submitted.

C. In case of ineluctable needs, the targeted locations for approved Samagra Siksha interventions can be modified up to 10% of the total allocations by the State/UT without any change in the financial costs. *For Example- If the intervention of 100 Smart Class have been sanctioned to 100 schools, the location of 10 schools may be changed to other schools by States/UTs, subject to the conditions that new schools (Schools in which smart class is now provided) are fulfilling the Samagra Siksha Norms/criteria of sanction of Smart Class.*

Also, the modified locations should not amount to more than 10% of the total financial approval for the given activity as well**. It is noteworthy that the location should be changed only when it is not possible to implement that activity at the approved location.** While changing the location of any interventions, the norms of Samagra Siksha for that particular intervention should be strictly adhered to. Any change in this connection, should be informed to the Department with proper justification and supporting documents.

D. Further, wherever States/UTs involve/engage a third party or organisation for the implementation of a programme/intervention/activity approved under the Samagra Shiksha Scheme, the complete responsibility for such involvement/engagement of the third party with reference to financial/legal or any other implications will rest with the respective State/UT only. Approval of any activity under Samagra Shiksha Scheme for which third party has been engaged by the State/UT does not tantamount to any endorsement (financial/legal and any other) by the Ministry of Education for the involvement/engagement of such third party or organisation.

The meeting ended with a vote of thanks to the Chair.
